

## Additional Sponsorship Opportunities

### Sponsorship of a Sports Team £800-£1000

Sponsoring a sports team is a fantastic way of giving your company name exposure as our teams regularly compete in fixtures outside of the county. Sponsorship enables the purchase of a new team kit (amount dependent on the size of the team).

- Company name is printed across each top / dress
- Acknowledgement on the school website and in the school magazine

### Sponsorship of an Event £500-£1000

Throughout the school year there are whole school events that lend themselves to sponsorship such as the summer Sports Day and the winter Choral Concert. Attended by large numbers of the Pate's community, these events will give wide exposure of your company name.

- Company name and logo appears on event literature
- Acknowledgement on the school website and in the school magazine
