

USA Westward Expansion Summer Work

Go to Youtube and search: Ken Burns The West Episode 1

Watch the episode and make 10 bullet pointed notes to capture the most significant events/people and places captured in the documentary regarding early colonisation in the USA in the years 1500-1806.

After completing the homework you will discuss these in class and reduce them to only 5 points in the lesson. How will you convince your classmates that your points are the most important?
