

## The Cold War Summer Work

**Go to Youtube and search: People's Century Brave New World**

**Watch the episode and make 7 bullet pointed notes to capture the 7 most significant events in the Cold War from 1945 to 1968 (you decide what is significant and why).**

After completing the homework you will discuss these in class and reduce them to only 5 points in the lesson. How will you convince your classmates that your points are the most important?

A large, empty rectangular box with rounded corners, designed for taking notes. It features a grey shaded area in the top-left corner and a grey shaded area in the bottom-left corner, suggesting a scroll or a page fold.
