

Monarchy by David Starkey. Watch Series 2 Episode 1 'The Crown Imperial' (this is on youtube): <https://www.youtube.com/watch?v=4BTimEvIBL8&safe=true>

Watch the episode and make 10 bullet pointed notes to capture the most significant points about the end of the Wars of the Roses and the start of Tudor rule (you decide what is significant and why).

After completing the homework you will discuss these in class and reduce them to only 5 points in the lesson. How will you convince your classmates that your points are the most important?
