All buses that operate routes to Pate's are run by independent bus companies and the school has no jurisdiction over routes, timings or pricing. Pate's is not involved in organising or funding any school transport arrangements. It is parents' responsibility to organise their child's travel arrangements, and contractual agreements are made by parents directly with bus companies. The bus companies are generally very willing to help set up new bus routes where there is sufficient demand. The school also helps facilitate lift-share arrangements between families by advertising requests via the Head Master's weekly message and putting parents in touch with each other.
