

Entrance Test for 2020 Entry - Current Year 6

The Entrance Test took place in September 2019. The Local Authority will allocate 150 places on 2 March 2020.

After 2 March, but by Monday 9 March 2020, you can request to go on the Pate's Grammar School Waiting List via Gloucestershire County Council's (GCC's) online system.

For candidates sharing their September test result with Pate's Grammar School, late, a request to go on the waiting list must be sent to GCC. In order to be added to the Pate's Grammar School waiting list, your son/daughter must have met the qualifying standard.

For candidates who live outside of Gloucestershire, in addition to liaising with your own local authority, it is advisable to email GCC directly with your waiting list request on school.admissions@gloucestershire.gov.uk.

If this is your first application in Gloucestershire, please complete GCC's "late" Common Application Form, currently available on the GCC website by the deadline of 9 March 2020.

Candidates who missed the grammar school entrance test in September have the opportunity to sit a 'post-allocation test' on **Thursday 19 March 2020** - providing they have requested to go on the Pate's Grammar School Waiting List with GCC by Monday 9 March 2020. (This is not a second attempt at the entrance test and is only available to candidates who have made a waiting list request to GCC, who have not yet sat the Gloucestershire Grammar Entrance Test).

Please check your email account regularly on **Friday 13 March**, as this is the intended release date of the link to register your son/daughter for the post-allocation test that will be sent by email only.

If you would like any further clarification regarding the ongoing 2020 Entry admission process please contact the Admissions Manager on admissions@patesgs.org.
